

7th Grade School Supply List: 2014-2015

Welcome to 7th grade, class of 2020! Here are the supplies you'll need in the fall. Please try and buy them before the first day of school. Look for sales over the summer, especially for the folders (*Staples* usually sells them for 10 cents each in August). Please be sure that the folders have the fasteners in the middle to hold 3-hole punched papers. If you have a difficult time buying supplies, notify one of your teachers when school starts. We do not want any family to be over-burdened with this expense.

Tempus Legendo- The entire school has 25 minutes of silent reading every day. Please be prepared with good novels to read during this time. You can purchase books or check them out of the library, but be sure that they are appropriately challenging so that you are developing better reading skills during this time. Keep your *tempus* book in your book bag at all times so you are always prepared to read. This is your time to read something you find interesting. Thanks!
